

The following is a communication from the Bishop's Office in Albany:

As of the weekend of June 5-6 the obligation to attend Mass will be in effect again. Of course, everyone should continue to use prudential judgment based upon religious, medical, and personal considerations as to whether or not to attend Mass.

The following would not be required to attend Mass: the sick, the seriously-ill, and those who have anxiety about returning to Mass.

Also, until further notice masks and 6' distancing will continue. When we receive news to the contrary from the Bishop's Office we will let you know immediately.

We must continue to do everything we can for the safety of all.

Thank you for your understanding, patient forbearance, and cooperation.

Father Carlino
